

Associated General Contractors of Greater Milwaukee Skill, Integrity, and Responsibility Scholarship In Partnership with UW Milwaukee

The foundation established a NEW Skill, Integrity and Responsibility (SIR) scholarship at UW Milwaukee in the amount of \$5,000 annually. \$2,000 of the award will be given in the form of two \$1,000 scholarships every school year. The \$3,000 balance will be placed into an endowment fund with the goal of eventually fully funding a \$50,000 endowment to continue the annual awards in perpetuity. The scholarship is available to any undergraduate students majoring in the College of Engineering and Applied Science at the University of Wisconsin–Milwaukee. Awarding of the scholarship, will be based on the following criteria:

- Academic achievement (2.1 Cumulative GPA minimum, and 2.1 Major GPA minimum on a four-point scale);
- Demonstrated financial need using then current UWM methodology;
- Junior or senior status, in good academic standing, and making satisfactory progress towards the B.S. degree;
- Resident of The Associated General Contractors of Greater Milwaukee, Inc. service area
- Priority will be given to students majoring in construction management and civil engineering programs who have an interest in a career in construction;
- Consideration will be given to membership and participation in construction career related student organizations, campus activities, and community service activities
- Enrollment in UWM with full-time status in the fall semester following granting of the award is required.
