the foundation established a NEW Skill, Integrity and Responsibility (SIR) scholarship at Marquette University in the amount of $5,000 annually. $2,000 of the award will be given in the form of two $1,000 scholarships every school year. The $3,000 balance will be placed into an endowment fund with the goal of eventually fully funding a $50,000 endowment to continue the awards in perpetuity. The scholarship is available to any undergraduate students majoring in the College of Engineering and Applied Science at the Marquette University. Awarding of the scholarship, will be based on the following criteria:

- An applicant must be entering their junior or senior year (as measured by credits) in good academic standing with a minimum CGPA and MGPA of 2.1 on a 4.0 scale

- Scholarships will be awarded to Wisconsin residents from the AGC of Greater Milwaukee Service area

- The applicant must be full-time and currently enrolled, active student in the CEEN program.
